

The PATHS[®] Kid for Today

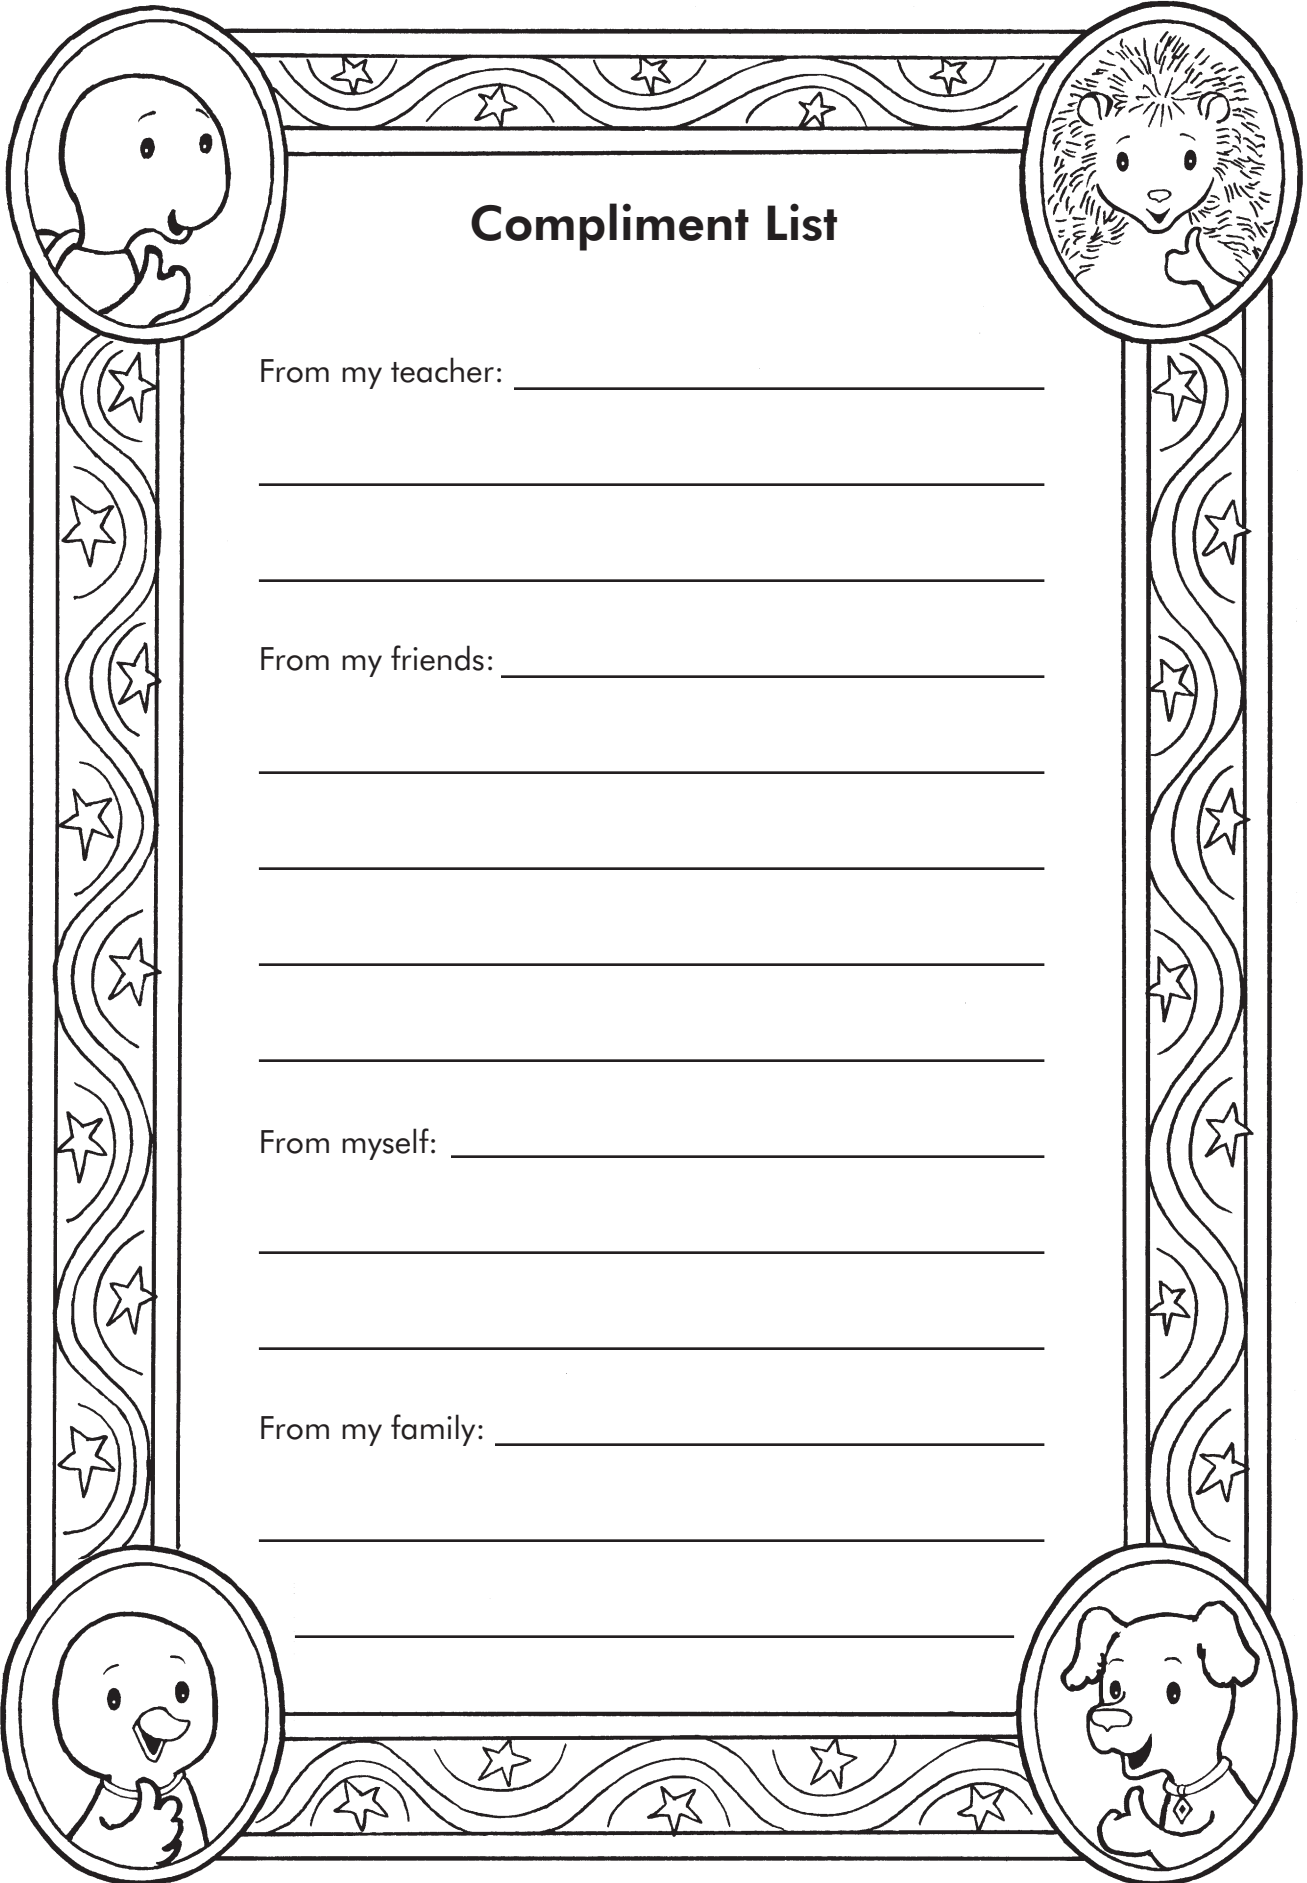

A large, empty banner with a decorative border, intended for writing a compliment.

Dear _____:

_____ was chosen to be the PATHS Kid for Today in our class. The PATHS Kid sits in the front of the room during the PATHS lesson and helps me teach it. Being the PATHS Kid is an important job. We are all proud of your child for doing a great job!

At the end of each PATHS lesson, we make a Compliment List for the PATHS Kid. Today we made a Compliment List for your child, and he or she is bringing it home with this letter. Please read over the Compliment List with your child. Ask your child to tell you how it felt to receive compliments.

You might also want to add your own compliment to the list!
